"Firefighter", Ben Hertzendorf has responded to his last call on earth and the fire department in the hereafter now has a new responder. Ben served the citizens of Thomas Corners Fire Department, Glenville Fire District 7 for 49 years as a Firefighter, Chief, Commissioner and Company President. We appreciate Ben's dedication and his family's sacrifices during the time Ben was a member. Ben has now become a Guardian who will help watch over all Firefighters as they respond. Be safe Ben until we meet again."
